Brung us in from walks and brung out another set of walks and then I heard on the radio a bunch of comotion and then I seen all the C/O's out by the cages then C/O II Brinager came down the Hall and said that little bitch in 16 on A-tier lied 2 me, and (stated I got something for his ass). 15 minutes later C/O II Bartholomew came 2 my cell and took me out and brung me around the property room in Housing 4 where all the rest of the C/O's and the Sergeant was. they said I lied to them and made up that I said my bunk buddy was on a pass 2 cover them not paying attention 2 the cameras. Then they striped my Butt naked and then took me to the suicide cell on B-tier and cleared the working men off the tier and took me into B2 and C/O's II Willburn/C/O II LARK/C/O II Davis/C/O II Brinager acted in a matter to Assault me and Punch me in the ribbs and stomach and Willburn hit me with the walkie talkie on the shoulder which put a scratch on my left upper shoulder then C/O II Brinager put me on my knees exication style still hand cuffed and kicked and kneed me in my ribbs. When all was done C/O II Davis told me in a threatening tone (if you tell any one I am going 2 kill you do you understand?) I responded yes cause I was afraid at the time. They removed the handcuffs told me to stay on my knees or I will be mared I complied they left and told me you are lucky you did not recieve a ticket, while the door was closed. they called me stupid nigger and things but I did not respond cause I was Baffled they would do that to me and I did nothing but mind my buisness and get my 1 hour walk. They kept me in the strip cell from 8-9-12 to 8-14-12 morning. I fear for my safety out this region and really need to be removed from this region as soon as possible, as I continually recieve threats. Please could this matter be looked into thank you.

items I purchased from the first store day of the month and on the 9th of August, 2012 as in Soaps, Deoderant, stamps, Halls, Writing papers, and Shower shoes etc. When I came from the cool off cell (4-B-2) on todays date 14th of August, 2012 witnesses Dion Williams # 287-303, Cordell Jackson # 170-092, Arthur Stokley # 368-263, Martez Richards # 354-100, Maurice Powell # 348-263, Tavor Jones # 362-385, and James Morgan # 334-946 will testify that those officers mentioned threw my personal belongings in the trash can and spit in my drinking cup (chewing tobacco) which I have evidence. All my reading books and magazines were threw in the trash can. Inventory property papers and commissary receipts are evidence that I possessed certain amount of items and property. Such recording of the teir's (4-A-Bottom) videotape is proof that these officers went into my cell (4-A-16) and threw all of my personal belongings into the trash can. I would like for the issue to be justified. Thank you
